To whom it may concern

Herewith the Max Planck Institute for the Physics of Complex Systems confirms that Mr. Lucas Souza attended the international school and workshop on „Critical stability of quantum few-body systems" (9 – 20 October 2017) from 9 – 21 October 2017. The school covered 60 working hours.

He presented a talk on „Reactions and structure of three-fragment weakly bound nuclei".

Yours faithfully,
